UREA's Youth Leadership Challenge

Dear Juniors,

Bridger Valley Electric has a great opportunity for you. Every year, BVEA participates in the Utah Rural Electric Youth Leadership Challenge, which takes place in July at Snow College in Ephraim, Utah. We try to select one student from each of the high schools in our service territory to participate in the 5 day event.

The conference runs from July 16th thru 20th this year. Many topics are covered during the week, such as leadership training, personal finances, patriotism, the legislative process, and service to others. The conference is attended by students from Utah, Nevada, and Wyoming. There are usually about 100 in attendance.

It is a fun, educational week. **Bridger Valley Electric pays for everything and provides the transportation to and from Ephraim.** I would ask that you discuss this opportunity with your parents, check your summer calendar to see if the dates are open and then, if you are interested, fill out the enclosed form and return it to BVEA by Friday, April 6, 2012.

The students who attended last year included Shantell Henry and Marci Harvey of Mountain View High School; Webb from Lyman High School and Brianna Martin from Farson High School. Cassie Henry, from Mountain View, returned as a Youth Director. (There were no applicants from Manila last year.) Brianna Martin is returning as a Youth Director this summer. I am sure any of them would be glad to share their experience if you were to ask.

If you have any questions, please give me a call at BVEA at (307)786-2810 or (800) 276-3481 during the day or you may reach me at home at (307) 782-6272 in the evenings.

This is a great opportunity and I hope that you will apply. Unfortunately, space is limited to 4 students plus the Youth Director but you never know how things will play out.

DON'T FORGET.....THE DEADLINE TO APPLY IS APRIL 6TH. Applications must be in the BVEA office by 5 p.m. on that date.

Sincerely,

Naomi Stone
Administrative Asst.
